Mr. Owen V. Washburn,  
Director, Environmental Services,  
Department of Fisheries and Environment,  
Room 519, Centennial Building,  
Fredericton, N.B.

Dear Mr. Washburn:

Enclosed as requested is a copy of our recent brief in response to the Ontario Ministry of the Environment's "Green Paper on Environmental Assessment".

Your comments at the last session of the conference in Winnipeg were certainly appropriate, and I regret not having had a chance to discuss environmental assessment with you further at that time.

Please write if you should wish any information further to our brief. Perhaps we shall have an opportunity to discuss it personally at a future conference.

Yours very truly,
