NOTICE TO DIRECTORS

RE: Canadian Environmental Law Research Foundation Annual Meeting

Wednesday, November 27th, 1974

The CELRF Annual Meeting will take place Wednesday, November 27th, 1974 at Hart House, University of Toronto at 7:15 p.m. A Directors' meeting will precede it at 7:00 p.m. (formal notice to follow). I do hope that you will make a special effort to attend.

As some of you know, we plan to make this evening a major event of the CELRF/CELA year. John Fraser, the Lawyer - Environmental Critic of the Progressive Conservative Party in Ottawa, will address the meeting on Environmental Impact Assessment. His speech should take on special significance given the fact that he is a P.C. member who will be speaking on the EIA when the P.C. Government here is considering legislation on the same subject. The talk will take place at 9:00 p.m. after the second part of the programme - the CELA Annual Meeting. You will note that Canada Permanent Trust has donated space on the cover of the Ontario Reports for its November 15th issue (in your hands by November 22nd) to announce the CELA Annual Meeting and the Fraser Speech.

Finally, to encourage widespread attendance, the address may be heard by members of the public as well, for the nominal amount of \$2.00. In addition a cash bar will be open for your enjoyment. Please refer to the notice, and bring you wife/husband/colleague to the meeting if you wish.

Yours Sincerely,

CANADIAN ENVIRONMENTAL LAW RESEARCH FOUNDATION

Gar Mahood,
Executive Director

p.s. It would help us considerably if you would contact the office to tell us if you will attend. Please save Sally the effort of contacting you.
