6 May, 1975.

Alan D. Levy, Esq.,
Barrister and Solicitor,
11 Prince Arthur Avenue,
Toronto, Ontario,
M5R 1B2.

Dear Alan,

I would like to thank you, on behalf of the Staff and the National Executive Committee, for your diligence and hard work in preparing the three reports concerning staff priorities, CELA funding and CELA administration that were discussed at the meeting of CELA on 5 May, 1975. I believe that your hard work was rewarded by the motions passed at the meeting incorporating the major recommendations of the three reports.

I must apologize for the unfortunate scheduling of the meeting which made it impossible for you to attend to discuss your reports. I hope that the result of the meeting will make up for the unfortunate timing.

Yours very truly,

Dennis H. Wood
President
