Miss Heather Mitchell,
Counsel,
Canadian Environmental Law Association,
Suite 303,
One Spadina Crescent,
Toronto, Ontario
M5S 2J5

Dear Miss Mitchell:

Joe Clark kindly sent me a copy of your recent letter regarding your concerns about the radon gas hazards in Port Hope.

Mr. Allan Lawrence of our Party is taking a very active interest in this matter, and I suspect that he can give you a good deal of assistance. I suggest you contact him.

Yours sincerely,

James Gillies, M.P.
Don Valley
