Dear Barry:

I understand from City-TV that you are preparing a report on the Port Hope situation. I would appreciate it very much if you could make sure that there is a copy at CELA before we go on the air, since I will be returning very late the day before from Vancouver and will only have a short amount of time to prepare on the day of the interview.

I hope that it is going well and if there is other information which you want me to mention, please do not hesitate to tell me and I will do so.

In the meantime, enclosed is the text, more or less, of my address at the OISE meeting.

Yours very truly,

CANADIAN ENVIRONMENTAL LAW ASSOCIATION

Heather Mitchell
