The Honourable James Auld,
Minister of Natural Resources,
Room 6327, Whitney Block,
Parliament Buildings,
99 Wellesley Street West,
Toronto, Ontario
M7A 1W3

Dear Mr. Auld:

Thank you for sending me a copy of the proposed Aggregates Act, Bill 127 for comment. The Canadian Environmental Law Association wishes to provide comments on this Bill and on the accompanying policy document. We understand that comments on the policy document are to be sent by July 30th. In light of the fact that it is necessary to read the Mineral Aggregate Policy together with the Act to get a clear picture of the impact of these initiatives, and in light of the fact that we only became aware within the last few days of the existence of this policy paper, we would request that the comment date for the policy paper be made consistent with the deadline for commenting on the Aggregates Act of September 15th.

We would very much appreciate your cooperation in this matter, as we hope to make an informed submission.

Sincerely,
CANADIAN ENVIRONMENTAL LAW ASSOCIATION

John Swaigen,
General Counsel.

c.c. Mr. W.T. Foster
