Professor A.G. McLellan,
Assistant Dean,
Faculty of Environmental Studies,
University of Waterloo,
Waterloo, Ontario.

Dear Professor McLellan:

Gordon Nelson mentioned to me your interest in aggregate management and your involvement in the drafting of the proposed Aggregates Act. I enclose a copy of our analysis of that Bill as published by the Centre for Resources Studies. This is essentially the same as our submissions to the Minister of Natural Resources on this subject. I hope you find it helpful, and of course feedback is always welcome whether laudatory or critical.

Sincerely,
CANADIAN ENVIRONMENTAL LAW ASSOCIATION

John Swaigen,
General Counsel.
