Dear John:

Many thanks for your letter of October 15th, 1979, and the accompanying detailed brief on the proposed Ontario Aggregates Act. We will certainly be taking your recommendations very seriously and, once the Bill is in front of us, we will undoubtedly want to meet with you on an on-going basis to be sure that we end up with a law which is suitable.

Again, many thanks for taking the time to compile this excellent brief.

Yours sincerely,
