Civil Action No. 79-989
(Hyde Park Landfill)

Enclosed please find a copy of a report entitled "Cost Estimates for Remedial Technologies for the Hyde Park Landfill Site" prepared by Dr. Robert Rickles on behalf of the Ecumenical Task Force, Pollution Probe and Operation Clean-Niagara. Dr. Rickles' proposed testimony will cover the issue of the relative costs of the proposed and possible remedial technologies, which is one of the areas of inquiry set out in your Order of August 7, 1981.

Yours truly,
