Dear Toby:

Re: Great Lakes Tomorrow: Decisions
for the Great Lakes Regional Seminars

Please find enclosed application forms for the aforementioned programme which your organization may be interested in seeing.

The course will be offered here at Windsor in weekly evening seminars commencing January 25th, 1983 and concluding on the 29th of March.

We are currently arranging for speakers to participate in each seminar and it crossed my mind that you may know someone, perhaps yourself, who would be a valuable addition to the topic of "Public Participation in Great Lakes Decisionmaking". That session will take place on 22 March 1983. Let me know if you have any suggestions.

It was good to see you (and yours) at the Queen's reunion. Methinks your job agrees with you. All the best.

Yours truly,

• Board of LLT.

H. Scott Fairley
Assistant Professor
