Dear Toby:

RE: Expansion of the Burlington Landfill Site
Our File No.: 62,071

Thank you for your letter of April 24, 1984.

In response to question 3, I have asked Allan Mitchell, the hydrologist, to provide an appropriate response.

In respect to questions 1, 2, 4, 5 and 6, I have sent your letter to Bob Leech for his response. By telephone, Mr. Leech has advised me that he is somewhat uncertain as to what information your expert is seeking. Accordingly, I suggest that you have your expert telephone Mr. Leech directly to clarify his request. As far as we understand them, we are willing to provide answers to your questions.

Yours very truly,
