Dear Sir:

Re: Amendment No. 26 - City of Brampton
Snelgrove-Mayfield Sec. Plan
Lots 16, 17 & 18, Con. 1 E.H.S.
Land Use Designations.

We have reviewed the subject noted amendment and reference
is made to Section 2.10.1.1 Definition.

The wording of this section seems to imply the Hwy. #410
(proposed) study area is east of Hwy #10 and north of 17th
Sideroad when, in fact, the area east of the C.P.R. is
included in our Study Area.

The wording within this section might be misleading to the
general public. Consideration should be given to include
the area mentioned above in Section 2.10.1.1.

Yours truly,

K. Ainsworth
