Dear Ms. Howland:

Thank you for your letter and enclosed material regarding the Energy from Waste proposal. Subsequent to speaking with Marnie Tuira last week, our clients, the West Burlington Citizens' Group (WBCG) notified us that they feel there is a potential conflict of interest situation between your case and theirs. They therefore do not want us to represent your group. Due to our prior commitment to the WBCG, we will not be able to take on your case. We therefore need not determine whether your group would have met our financial eligibility criteria.

Thank you again for contacting CELA.

Yours truly,
