Dear Sir/Madam:

Re: Halton Landfill Environmental Assessment/
Public Review of Draft Stage 2C Reports
(Selection of a Preferred Site)/Notice of a
Special Regional Council Meeting to Hear
Delegations, File: 3708.437

In my letter to you dated February 15, 1985, I indicated that Halton and its consultants will be reviewing your submission on the twelve Draft Technical Reports and the Draft Summary Report and preparing a Submissions Report responding to your comments.

Regional Council has determined that it will allow municipalities, groups and individuals to appear before it as delegations to discuss concerns. Therefore, please accept this notice as our invitation for you to appear before Council at a special meeting and make a brief presentation on your concerns if you so wish.

The date and time of the special Council meeting is

Wednesday May 8, 1985 at 6 p.m.

If you wish to appear as a delegation, please contact Mrs. Pat Crimmins in the Chief Administrative Office at a phone number listed below (extension 353). If you cannot attend by 6 p.m., Mrs. Crimmins will be pleased to schedule your presentation for later in the evening. The normal procedure is to allow 10 minutes for each presentation. Extensions to the time limit may be considered at the discretion of Council. The last day for confirming your appearance before Council as a delegation is May 2, 1985. The location of the meeting, the Regional Administration Building, is shown on the reverse side.

Yours truly,

R. Mohammed
Director of Planning and Development
