Dear Mrs. Anderson:

Subject: West Burlington Ratepayers' Group

Both the Regional information meeting and the City of Burlington information meeting at the Aldershot High School were successful with regard to attendance in my view, and I would like you to convey to the West Burlington Ratepayers' Group that this office and City Council appreciate the interest and participation in the current landfill issue.

Now that City Council's position on further landfilling at the Aldershot site is established clearly and concisely, it is my most sincere hope that Burlington citizens, and in particular those living in the Aldershot area, will not become less visible than they have over the past few years. City Council will need the support of the West Burlington Ratepayers as we carry forth the current City position to the Region of Halton and later to the Environmental Assessment Hearing process. //

Thank you again for the fine support your group is giving to Burlington City Council on the matter.

Sincerely,

R.L. Bird, MAYOR
