Re: Halton Landfill Environmental Assessment
Receipt of Public Comments on the Draft
Phase 2, Stage 2C Technical and Summary
Reports, File: 3708.437

Please find enclosed a copy of the Compilation of Submissions Phase 2, Stage 2C Addendum 1 document. Due to several late comments received, it was necessary to have an addendum to Books 1 and 2 printed.

Following our May 8, 1985, Council meeting, further submissions were received and they will be computed in Addendum 2 to follow.

If you have any questions regarding this document, please do not hesitate to contact me at a phone number listed below, extension 237.
