Dear Mr. Chumley: *Sid:*

On behalf of Regional Council and myself, I would like to take this opportunity to thank you for the tremendous amount of time and effort you have contributed to the Citizens' Solid Waste Advisory Committee.

SWAC has produced an excellent report as a result of its fourteen month study, which is a reflection of the enthusiasm, knowledge and experience of its individual members.

The thorough and detailed level of analysis has immensely assisted Regional Council in its decision to pursue Energy from Waste as part of Halton's long term waste management plan. SWAC has also established what I personally consider to be a very successful precedent for direct citizen involvement in the review of future waste management issues in Halton.

Once again, I would like to sincerely thank you for your most valuable contribution to the Citizens' Solid Waste Advisory Committee.

Yours sincerely,

P.D.
Peter D. Pomeroy
Regional Chairman
