LEGISLATIVE ASSEMBLY

CAM JACKSON, M.P.P.
BURLINGTON SOUTH

CONSTITUENCY OFFICE:
460 Brant Street
Burlington, Ontario
L7R 4B6
(416) 639-7924

October 6, 1986

Mrs. Dorothy Pocock
534 Anne Street
Burlington, Ontario
L7T 2S6.

Dear Dorothy:

Just a note of congratulations for a fine program
Saturday morning.

Despite the uncertain weather conditions the turnout
was excellent, the program was crisp and informative
and the media coverage will go a long way towards
keeping the struggle against yet another landfill site
in Aldershot on the front burner.

This will be a long and involved process and you can be
assured of my support throughout.

As you may know M.P.P.'s can send newsletters from
Queen's Park to all constituents, advising them of
issues and events of concern to them at Queen's Park or
in the riding.

As the landfill site issue is one of the most critical
issues facing our community I feel a significant amount
of the next newsletter should be devoted to it.

You may wish to bring the people of Burlington South
up-to-date on the issue, current events and future
process and include a request for donations to carry on
the fight.

If you are interested please contact the constituency
office. We will be pleased to help you prepare it.

Again congratulations for a fine job and thank you for
the opportunity to take part. If I can be of any
assistance in the future please don't hesitate to get
in touch.

Warmest personal regards,
