Dear Mr. Lederer:

RE: Regional Municipality of Halton - Proposed Landfill
Site - Consolidated Hearing

The issue has been raised with the Hearings Registrar on the question of transcript turn around time. As I know this was an issue discussed at the preliminary meeting and not adequately resolved, I have attempted to come up with some costs so that if you wish you may pursue it with your colleagues in an attempt to get some consensus. In any event, the Joint Board has advised me that this issue may be addressed at the commencement of the hearing. Costs are only approximate, based on length of hearing day, and hotel accommodation costs.

The Joint Board has expressed the opinion that a two week turn around is adequate for its needs. However, if parties wish a sooner turn around they must be prepared to pay the difference. I have listed below the regular costs that the Board is prepared to pay and the quote given by Nethercut.

2 Weeks Turn around Time Charged to Board	One Week Turnaround	* 3 Day Turnaround	* Overnight Turnaround
\$775 per day + 50¢ per page of transcript	\$875	\$1450	\$1650
Difference per day	\$100	\$ 675	\$ 875
Additional charge to parties per page of transcript	50¢	50¢	50¢

- * For a three day and an overnight turn around, the Court Reporters will require 3 additional staff on site - one additional court reporter and two additional typists. As well, a day room will be needed for simultaneous typing to take place. This cost is not included in the above and would have to be ordered with the property manager who is dealing with accommodation at the Oakville Granary Centre. I am advised that this will be approximately \$400 per month.

SUMMARY

- . If one party requests an overnight turn around, the cost to them would be approximately \$875 per day, plus one copy of the transcript. (\$95) - based on an average of 190 pages per day of transcript.
- . If three parties agree to an overnight turn around, the cost would be approximately \$290 each, plus transcript costs of 50¢ per page per copy.
- . For a three day turnaround, the cost to one party only would be \$675 per day plus the transcript cost of 50¢ per page per copy.

Yours truly,

Y. Lane
Hearings Registrar
