Dear Ms. Vigod:

Re: List of Reports Relating to the
Undertaking of Halton Region's
Solid Waste Management System
File: SD08 A

As per your request, please find attached a list of reports relating to the Undertaking of Halton Region's Solid Waste Management System.

The Environmental Assessment report, dated October 1985, has 47 schedules which relate to: A. Environmental Assessment for the Landfill Component of Halton's Solid Waste Management System.

The reports related to D. Environmental Protection Act Application for Halton's New Landfill Site, are listed in the attachment. It should be noted that there are 2 separate Environmental Protection Act applications, one for Site D and one for Site F. Similarly, G. Application Made Under Regulation 164, R.R.O. 1980 of the Conservation Authorities Act R.S.O. 1980, also has 2 separate applications, one for Site D and one for Site F.
