Re: Halton Environmental Assessment
Your File: CH-86-02

Dear Ms. Lane:

Further to Mr. McQuaid's letter of February 26, 1987 I would like to confirm that I am in agreement with the request made by him with respect to summer vacation time. Mr. McQuaid has put it aptly when he stated that "a four week period will increase the chances of satisfying the large number of people who are involved either as witnesses, lawyers or members of the public".

Yours sincerely,

DAVID ESTRIN
