Dear Ms. Davidovic:

Re: Halton Landfill Hearing
Intervenor Funding

Pursuant to the funding panel's order of February 23, 1988, we are hereby applying for the remainder of the funds allocated to the West Burlington Citizens Group for experts' expenses in regard to the Halton landfill hearing. On December 10, 1987 we received a cheque for \$11,526.25. The amount outstanding is therefore \$3,473.75. As you can imagine, with the hearing passing the 100 day mark, our experts' expenses have far exceeded this amount. We have enclosed two invoices which total \$3,648.00 which would cover off the amount remaining in the funding panel's allocation.

We trust this is satisfactory. If you have any further questions, please contact us.

Yours very truly,

CANADIAN ENVIRONMENTAL LAW ASSOCIATION
