Dear Ms. Lane:

Re: Notice of Motion by Town of Milton

I am in receipt of a Notice of Motion from the Town of Milton with respect to the reply evidence of Dr. Nicholas Byles.

I would urge the Board, if it can possibly be arranged, to schedule the motion for sometime this week. Unfortunately the Ministry's hydrogeologist will be out of the country for three weeks beginning October 3, 1988 and I would very much like her to be present if the evidence is called.

Yours very truly,

J.R. Tidball
