SUBJ: Follow-Up Meeting for Health Effects Conference

There will be a follow-up meeting for the Health Effects Conference on July 21, at 10:00 a.m. in 706 O'Brian Hall (Law School), SUNY/Buffalo, Amherst Campus. The meeting will focus on public participation and means of dissemination of scientific results from the project evaluating risks to human health regarding exposure to Great Lakes toxic chemicals.

Please respond before July 19 to either Warren Flint (716) 636-2088, or myself at (716) 636-2782.
