Dear Mr. Bouchard:

For every issue of Great Lakes United's quarterly publication, we invite a special guest to author an article about an important general issue or position on the Great Lakes. The article appears prominently on one of the cover pages.

We respectfully invite you to serve as the guest author for our Fall, 1989 issue. The publication is received by 10,000 Great Lakes advocates, lawmakers, media, businesses, libraries, organizations and individual citizens throughout the Great Lakes Basin of Canada and the U.S.

Our suggested topic for you to address is "Sustainable Development and its Implications for the Great Lakes Environment." The deadline for the article would be October 6. The article should aim for 750 to 900 words. To minimize postal delays, we suggest sending the article by Fax.

We hope you will accept this opportunity to serve as Guest Author. Please call us as soon as possible at (716) 886-0142 to let us know.

Sincerely,

Philip Weller
