Dear Congressman Nowak:

This is just a short note to thank you on behalf of Great Lakes groups for your introduction of bills aimed at addressing critical Great Lakes concerns. We are especially pleased with your initiative to build legislative support for the Great Lakes Water Quality Agreement.

We look forward to presenting you with our detailed views on the Great Lakes Water Improvement Act and the Great Lakes Fish and Wildlife Restoration Act once we have had an opportunity to review them in detail. We would be pleased to present these comments of the hearings you have scheduled.

Once again, thank you for your commitment to protection of the Great Lakes ecosystem.

Sincerely,

Philip Weller
