Dear Lynne:

Congratulations on the Sustainable Development in Canada publication. It looks great! I did note however that the "V"s got left out of the list of contributing authors. That would include myself, Marcia Valiante and David Vander Zwaag. I don't know if this can be corrected at some future date. A minor detail in what is otherwise a most useful publication. I've already used it in a speech I'm giving to the Canadian Manufacturers of Specialty Chemicals next week.

Hope all is well. Keep in touch.

Yours truly,

CANADIAN ENVIRONMENTAL LAW ASSOCIATION
