Dear Ms. Anderson:

Re: Proposal from Barbara Klunder

Thank you for speaking with me about Barbara Klunder's proposal to dedicate a portion of the revenues from her sweater patterns to an environmental group. I have enclosed materials on both groups which she has chosen, the environmental coalition Great Lakes United (GLU), and the library and resource centre of the public interest legal clinic, the Canadian Environmental Law Association (CELA). I am the Co-ordinator of CELA and a Regional Director of Great Lakes United.

I hope you will consider both or one of the organizations appropriate recipients. If you have any questions or require further information, do not hesitate to contact me. We really appreciate the opportunity to link environmental and artistic endeavours and give your subscribers an opportunity to learn more about these public interest groups.

Yours sincerely,

CANADIAN ENVIRONMENTAL LAW ASSOCIATION
