Dear Marie-Hélène Adrien:

Re: Review of the Canadian Environmental Law Association (CELA)

Enclosed please find the background documents that you requested to prepare for your review of the Canadian Environmental Law Association (CELA) for program funding from the Canadian International Development Agency (CIDA).

I have spoken with our staff about the possible dates which you suggested for the site visit part of your review. The week of July 6, 1998 would be preferable to us. Myself and our Executive Director, Paul Muldoon will be available at this time, as will Ken Traynor who has worked since 1993 on international research for CELA. Unfortunately, Michelle Swenarchuk the Director of our International Programme will be on holiday for all the dates which you proposed.

Do not hesitate to contact me if further materials or clarification are needed.

Yours truly,

CANADIAN ENVIRONMENTAL LAW ASSOCIATION
