Sarah Miller
Director
Canadian Environmental Law Association
517 College St. Ste. 401
Toronto, Ontario
M6G 4A2

Dear Ms. Miller:

Thank you for taking the time to help me with my information interview on Tuesday, November 10, 1998.

I found your answers in the information interview to be quite helpful with my research project. I also found that it was quite informative and interesting that the law profession is becoming more and more challenging.

Sincerely,

Dimitria Sakakos
