RE: CONFERENCE PROCEEDINGS OAIA 1999 ANNUAL CONFERANCE

Enclosed please find a copy of the proceedings from the OAIA 1999 Conference on Environmental Assessments - Building Partnerships for the 21st Century.

Participation in the conference and the discussions held in conjunction with the presentations at the conference were identified as one of the main benefits to those who attended. I would like to thank you for your attendance and participation in these discussions.

The OAIA 2000 Conference will be held in Ottawa on February 24-25, 2000. The theme of this years conference is Integrated Impact Assessment: Innovations & Challenges. This year our conference is spread over two days to allow for a wider range of speakers and more discussion with the audience. We are also sponsoring an awards program to recognize excellence in Impact Assessment. Please mark your calendar and plan to attend. Further information will be sent to you on the program.

Once again thank you for participating in the 1999 Annual Conference.

Yours truly,

W. Paul McDonald
President, OAIA
