

**1st BINATIONAL MEETING
ON SUNSETTING
HAZARDOUS CHEMICALS
IN THE
GREAT LAKES BASIN**

Sponsored By:

The George Washington University

Pollution Probe

The National Wildlife Federation

23 - 24 September 1992
Traverse City, Michigan

FIRST
BINATIONAL WORKSHOP ON
SUNSETTING HAZARDOUS
CHEMICALS IN THE
GREAT LAKES BASIN

OBJECTIVES:

- 1) To disseminate information on Sunsetting hazardous chemicals and the potential for implementation and use in the Great Lakes basin, and;
- 2) To disseminate and discuss information on a Sunsetting methodology with specific emphasis on criteria for selection of chemical candidates for Sunsetting.

AUDIENCE:

Representatives from industry, government, environmental groups, and academia from the Great Lakes basin and other regions.

Funding for this workshop has been provided by:

- The George Gund Foundation
- The Joyce Foundation
- The C.S. Mott Foundation
- The Great Lakes Protection Fund

For more information contact: Dr. Jeffery Foran, George Washington University - (202) 994-2587 or Burkhard Mausberg, Pollution Probe - (416) 926-1907.

Wednesday, 23 September 1992

- 5:00 - 7:00 p.m. Registration
- 6:00 p.m. Reception
- 7:00 p.m. Keynote Address
 G.K. Dumil, Chair (Invited)
 U.S. Section - International
 Joint Commission

Thursday, 24 September 1992

**Sunsetting Hazardous Chemicals:
 The Process**

- 7:30 - 8:30 a.m. Breakfast (provided)
- 8:30 a.m. Welcome and Introductions
 J.A. Foran - George
 Washington Univ.

SESSION I - BACKGROUND

- 8:45 a.m. Background and Description of the GWU/PP Sunsetting Project
 J.A. Foran - GWU
- 9:15 a.m. Background for Sunsetting in the Great Lakes basin and Ongoing Activities Associated with Sunsetting
 T.A. Eder - National
 Wildlife Federation,
 P. Muldoon - Pollution
 Probe
- 10:15 a.m. Break

SESSION II - CRITERIA

- 10:30 a.m. Criteria and Framework to Identify Chemical Candidates for Sunsetting
 B.S. Glenn, J.A. Foran -
 GWU
- 11:30 a.m. Q/A on Criteria and Framework
- Noon Lunch (provided)

SESSION III - PERSPECTIVES

- 1:00 p.m. Panel Session - Introduction
 J.A. Foran, Moderator -
 GWU
- 1:15 p.m. Economic Tools to Implement Sunsetting
 K. Palmer - Resources
 for the Future
- 1:30 p.m. Environmentalist Perspective on Sunsetting
 J. Weinberg - Greenpeace
- 1:45 p.m. Industry Activities on Sunsetting
 Speaker TBA
 WILLY OWENS ^{PROCTER} GRAMBLE
- 2:00 p.m. Labor Considerations for Sunsetting
 D. Bennett, Canadian
 Labour Congress
- 2:15 p.m. Discussion/Questions/Answers
- 2:45 p.m. Break

**1992

SESSION IV - DISCUSSION

- | | |
|------------------|--|
| 3:00 p.m. | Overview
K. Geiser, Moderator -
Mass. Toxics Use
Reduction Inst. |
| 3:15 p.m. | Discussion |
| 4:30 p.m. | Future Work and
Directions
P. Muldoon, Pollution
Probe |
| 5:00 p.m. | Adjourn |
| 6:00 p.m. | Dinner (optional,
provided) |
| Evening | Informal Discussions |
