RECEIVED DEC 13 2002

Dear Theresa,

On behalf of the Grand River Watershed Water Forum Organizing Committee, please accept our thank you for taking the time out of your busy schedule to participate. We have received numerous comments from people who attended indicating that the roster of speakers and overall program was excellent.

The proceedings are now posted to the GRCA website by popular demand at <http://www.grandriver.ca/index/document.cfm?Sec=26&Sub1=0&sub2=0>

Plans are now underway for our 3rd Annual Grand River Watershed Water Forum. The event will be held on Friday, September 19, 2003 at the Grand River Conservation Authority and we look forward to another memorable event.

Thanks again for contributing to the success of the 2nd Annual Grand River Watershed Water Forum.

Yours very truly,
