The Honourable Minister Sandra Pupatello
Minister of Community & Social Services
6th Floor
Hepburn Block
80 Grosvenor Street
Toronto, ON M7A 1E9

Dear Minister Pupatello:

Further to CELA's meeting with Minister Dwight Duncan on March 12, 2004, CELA in conjunction with Toronto Environment Alliance retained Indeco Strategic Consulting Inc. to prepare a report regarding low income access to energy programs in other jurisdictions.

We attach the report and would like to request a meeting jointly with Minister Duncan to discuss the recommendations. We have been in touch with staff at both Ministries to suggest same, and propose to include Canadian Environmental Law Association, Toronto Environment Alliance, Income Security Advocacy Centre, and Advocacy Centre for Tenants of Ontario in the joint meeting.

A letter similar to this, enclosing the report, has been sent to Minister Duncan, Ministry of Community & Social Services.

Thank you for your consideration and we look forward to meeting with you.

Yours truly,

CANADIAN ENVIRONMENTAL LAW ASSOCIATION
