Dear Friends,

There are currently 34 member groups of Nuclear Waste Watch across Canada. I am writing to you as Ontario members of Nuclear Waste Watch to invite you to participate in two meetings.

The first physical meeting of the Steering Committee since the founding of the Nuclear Waste Watch in November 2003 will take place on March 2nd, 2004 in Toronto. Ontario members are welcome to participate in this meeting and meet the national Steering Committee: Gordon Edwards (Canadian Coalition for Nuclear Responsibility, QC), Michel Fugere (Mouvement Vert Mauricie, QC); Daniel Leblanc (Petitcodiac Riverkeeper, NB); Brennain Lloyd (Northwatch, ON); Dave Martin (Sierra Club of Canada, ON), Graham Simpson (Inter-Church Uranium Committee, SK). Two other members of the steering committee are

unable to attend: Walt Robbins of Campaign STOP, in Kingston, Ontario, and  
Dave Taylor of the Concerned Citizens of Manitoba.

The Nuclear Waste Watch Steering Committee meeting will take place...

Friends House

(at the NW corner of Lowther Ave & Bedford Road,  
1 block west of Avenue Rd and 2 blocks N of Bloor St).

The second meeting is with the Advisory Council of the Nuclear Waste  
Management Organization (the nuclear industry-controlled organization that  
has been mandated by the government to come up with a "solution" to the  
long-term management of high level radioactive waste) . The 9 Advisory  
Council members include: David Crombie (Chair), David Cameron, Helen Cooper,  
Gordon Cressy, Fred Gilbert, Eva Ligetti, Derek Lister, Donald Obonsawin,  
and Daniel Rozon.

The meeting with the NWMO Advisory Council will take place...

Tuesday March 23  
1:30 p.m. (1 to 1 1/2 hrs)  
Nuclear Waste Management Organization office  
49 Jackes Avenue, First Floor  
Toronto  
(49 Jackes is at the end of this short street 3 blocks south of St. Clair  
Ave., and just east of Yonge St. - take the subway to the St. Clair on the  
Yonge line)

Please let me know if you are interested in attending either of these  
meetings. Unfortunately, we are not able to offer any travel or
