Dear Noah,

Re: Wingspread Steering Committee

Please accept this letter as our invoice for the work of Sarah Miller on the Workshop Organizing Team assisting in the design of the ENGO meeting held at Wingspread on February 22-23, 2005 to discuss issues relating to the Great Lakes Annex Agreements. I understand that an honorarium of \$500.00 (U.S.) is available to members of our team.

Thank you for this recognition of our work. Please make the cheque out to the Canadian Environmental Law Association.

Hope you and your family are enjoying spring after this long winter.

Best wishes,

Sarah Miller
