Dear Ms. Miller,

Thank you for contacting our offices. We have received your request to appear before the Committee with regards to Bill 198.

Your name and contact information has been entered in our Database of requests to appear before the Committee. Once the deadline for the requests to appear has been met, persons or organizations selected from that list by the Sub-committee to appear before the Committee, will be contacted by our office, and a time and date for their appearance will be booked.

Please note that only those selected by the Sub-committee will be contacted by our office. Our office facilitates the organization of the hearings, based on direction from the Committee Members.
