

THE JOINT BOARD

IN THE MATTER OF Sections 2 and 3 and 6(3)
of the Consolidated Hearings Act, 1981, S.O.
1981, c. 20;

IN THE MATTER OF various other statutes;

IN THE MATTER OF and undertaking of the
Regional Municipality of Halton to provide
facilities for the purpose of receiving, dumping
and disposing of waste as required by section
137 of the REGIONAL MUNICIPALITY OF
HALTON ACT, R.S.O. 1980, c. 436, as
amended, by acquiring the land for,
constructing, operating and maintaining a
landfill to contain 7.96 million cubic metres of
waste in the Regional Municipality of Halton.

FINAL SUBMISSIONS OF THE CORPORATION OF THE CITY OF BURLINGTON

The Corporation of the City of Burlington ("Burlington") respectfully submits
that the Joint Board (the "Board") should:

1. Accept the environmental assessment, as amended.
2. Give approval to proceed with the undertaking in respect of which the
environmental assessment was submitted.
3. Select Site D, in the Town of Milton, as the appropriate method for the
fulfillment of the undertaking.
4. Grant the approvals mentioned in paragraphs 2 and 3 herein in accordance with
the terms and conditions proposed by the Ministry of the Environment in its Summary of
Final Submissions dated October 17, 1988, subject to the following amendments,
deletions and additions:

Environmental Assessment Act

- (a) paragraph 3: add the phrase "with the objective of providing alternative disposal capacity during the twenty year planning period".
- (b) paragraph 13: change the words "On or before December 31, 1996" to read "Immediately upon approval".
- (c) add paragraph 15, to read: "Within one year of this approval, the Regional Corporation shall submit an application for an Official Plan Amendment to the Region of Halton Official Plan to provide for the designation of Site D as a sanitary landfill facility".

Environmental Protection Act

- (d) paragraph 2.1: add to the first sentence, the phrase: "in accordance with the Design and Operations Report prepared by Conestoga-Rovers and Associates Limited".
- (e) paragraph 2.1.3: delete in its entirety.
- (f) paragraph 2.1.17: amend to read: "A description of the gravity sewer and/or forcemain and of the piped water facilities".
- (g) paragraph 2.1.19: delete the words "including overwiring".
- (h) paragraph 5.3: delete in its entirety.
- (i) paragraph 5.4: amend the first sentence to read "...designed and operated, in accordance with the Design and Operations Report prepared by Conestoga-Rovers and Associates Limited to:"
- (j) paragraph 6.1: add, after the word "All", the words "parking areas and".
- (k) paragraph 8.9: delete in its entirety.
- (l) paragraph 8.10: delete the words "and permanent surface water catchment areas shall be overwired for bird control purposes".
- (m) paragraph 12.1.1: change the word "possible," in the last sentence, to "appropriate".
- (n) paragraph 12.1.12: add the words "in order to demonstrate the effectiveness of the hydraulic trap".
- (o) paragraph 18.1.5: add, after the word "continued", the words "maintenance, operation and".

5. Burlington does not recommend the selection of Site F, in the City of Burlington, as an appropriate method for the fulfillment of the undertaking. However, if

the Board selects Site F, Burlington recommends that the approval be in accordance with the terms and conditions proposed by the Ministry of the Environment in its Summary of Final Submissions dated October 17, 1988, subject to the following amendments, deletions and additions:

Environmental Assessment Act

- (a) paragraph 3: add the phrase "with the objective of providing alternative disposal capacity during the twenty year planning period".
- (b) paragraph 9: add, after the word "shall", the words "at its expense, and,"
- (c) add paragraph 15, to read: "Within one year of this approval, the Regional Corporation shall submit an application for an Official Plan Amendment to the Region of Halton Official Plan to provide for the designation of Site F as a sanitary landfill facility".

Environmental Protection Act

- (d) paragraph 2.1: add to the first sentence, the phrase: "in accordance with the Design and Operations Report prepared by Conestoga-Rovers and Associates Limited".
- (e) paragraph 2.1.3: insert a paragraph to read: "A description of liner construction activities, quality control measures and a description and plan of operation for the monitoring of the liner underdrain designed in accordance with the Design & Operations Report prepared by Conestoga-Rovers & Associates Limited".
- (f) add a paragraph 2.1.3a, to read: "A description and plan of operation for the monitoring of the liner underdrain or sandblanket to assess the performance of the liner".
- (g) paragraph 2.1.19: add, after the word "vermin" the words "and vector".
- (h) paragraph 3.6.4: add the words "including the monitoring of the sandblanket beneath the liner".
- (i) paragraph 5.3: delete in its entirety.
- (j) paragraph 5.5: amend so that the first sentence reads: "...operated in accordance with the Design & Operations Report prepared by Conestoga-Rovers and Associates Limited".
- (k) paragraph 5.5.1: amend to read "provide for a slope of at least 2% on all collectors and headers so that clogging will be minimized".

- (l) paragraph 5.5.2: add the phrase: "the maximum spacing between collectors should be no more than 50 metres".
- (m) paragraph 5.6: delete in its entirety.
- (n) paragraph 6.1: amend, to read "the Bulk Bin area, all parking areas and..."; add after the word "roads" the words "including the east-west road between cells 1 and 2 and any road intended to be used for a period in excess of four years".
- (o) add a paragraph 6.3, to read: The site access road will not be used for entry into the public portions of the rehabilitated landfill site to the west".
- (p) paragraph 8.9: add the words "in accordance with the recommendations of Ms. Hellas".
- (q) paragraph 10.3.2: change to read "...between Plains Road and the top of the escarpment...".
- (r) paragraph 11.1.6: amend to read: "Institute programs to encourage the movement of natural vegetation from areas adjacent to the landfill onto the landfill area, including the hiring of an ecologist/planner in accordance with the recommendation of Dr. Kitchen".
- (s) paragraph 17.1.5: add the words "liner system and the sandblanket beneath the liner" to the end of the sentence.
- (t) paragraph 18.1: amend to read: "At least two years before the rehabilitation of any portion of the site, ...and after-use of that portion of the property to the Regional Director".
- (u) paragraph 18.1.5: add after the word "continued", the words "maintenance, operation and".
- (v) add a paragraph 20, to read: The Regional Corporation shall submit to the City of Burlington its site plans for approval in accordance with the City's site plan approval process.
- (w) the Bayview Park landfill surface water, ground water and leachate collection system monitoring activities are to be incorporated into the Region of Halton's Site F monitoring program.

All of which is respectfully submitted.
