RE: 1994 Annual General Meeting - **CALL FOR RESOLUTIONS**

The 1994 Annual General Meeting is fast approaching, and as always we are calling on our member organizations to submit their proposed resolutions to the office in advance of the meeting. This will allow for the distribution of the draft resolutions to the membership in time for them to think about and formulate on their positions. We are hoping to avoid some of the problems we have had in previous years when groups would often fax a resolution to the office only days before the meeting giving the staff unneeded work at a time when they are stretched to the limit. In fact, last year we did not even have enough resolutions in advance of the meeting to send proposed resolutions out to our members so they could consider them.

This year, as last, taskforce chairs will be appointed in advance to check resolutions for redundancies or conflicts with past resolutions and to set an agenda for the taskforce meetings in advance of the Annual Meeting, thereby making it possible to discuss the resolutions within that context. This may make it possible to reduce the number of resolutions which have to be discussed at the meeting.

Once again, we are setting a deadline by which you should have your resolutions to the office. This year that deadline is March 18th. **PLEASE SEND YOUR RESOLUTIONS TO THE OFFICE BY MARCH 18TH!!!** This will give the staff the needed time to type and duplicate the proposed resolutions as well as forward them to the appropriate task force chairs for review. We hope to send them out to the membership by April 8 so they will receive them a month prior to the meeting which begins May 13.

Any resolutions that do not get to the office by the March 18th deadline will not get to the membership in advance of the meeting, and will therefore have to be included in the packets which are distributed at the meeting. These resolutions will also have to be added to the task force agendas late and will therefore have to be added to the end of the agenda.

Please send resolutions to Great Lakes United, State University College at Buffalo, 1300 Elmwood Avenue, Buffalo, NY 14222.

Thank You!!
