**OUTLINE OF SUBMISSIONS ON
BEHALF OF NSP INVESTMENTS
LIMITED IN SUPPORT OF AN ORDER
FROM THE JOINT BOARD FOR COSTS**

**PART I: JURISDICTION AND PRACTICE
OF JOINT BOARDS**

1. The Consolidated Hearings Act, 1981 (the "Act") expressly confers upon Joint Boards jurisdiction to award costs of a proceeding to a party and to fix the amount of costs so awarded. Subsections 7(4), 7(5) and 7(6) provide, inter alia:

- "7- (4) A joint board may award the costs of a proceeding before the joint board.
- (5) A joint board that awards costs may order by whom and to whom the costs are to be paid.
- (6) A joint board that awards costs may fix the amount of the costs or direct that the amount be taxed, the scale according to which they are to be taxed and by whom they are to be taxed."

2. The awarding of costs pursuant to the Act is a matter of discretion. Such discretion has frequently been exercised in the past by Joint Boards in circumstances where entitlement to costs, measured against identified criteria, has been established.

PART II: RELEVANT CRITERIA

3. In determining whether the discretion to award costs should be exercised in favour of a particular party, Joint Boards in other cases have enunciated criteria by which entitlement to costs should be measured. These have been stated to include:

- (i) The characteristics of the proponent;
- (ii) Whether there was a clear, ascertainable interest to be represented and a specific purpose for the assistance;
- (iii) Whether a separate and adequate representation of a particular interest assisted and substantially contributed to the Hearing;
- (iv) Whether there was a demonstrated and delineated purpose for the expenditure of funds by the party;
- (v) Whether there was a coordinated effort to bring a number of interests within one representative group where they had common concerns;
- (vi) Whether the particular interest established a record of concern and a demonstrated commitment in a responsible way to that concern;
- (vii) Whether a better understanding of the issues was gained because of the party's involvement and contribution; and
- (viii) Whether the costs address an economic imbalance among the parties and whether there was a need.

Ontario Hydro/Southwestern Ontario Transmission System Expansion Program (1982), 11 C.E.L.R. 53 (Joint Board)

Proposed EFW, Victoria Hospital, London, (1983), 15 O.M.B.R. 129 (Joint Board)

Proposed EFW, SNC Inc., Region of Peel (1988) (Joint Board)

4. Joint Boards in other cases have confirmed that these criteria are neither exhaustive or exclusive and each application for costs must be considered on its own merits.

Ontario Hydro/Southwestern Ontario Transmission System Expansion Program, supra.

**PART III: APPLICATION OF RELEVANT CRITERIA TO
NSP INVESTMENTS LIMITED ("NSP")**

5. Submissions will be made before the Joint Board on behalf of NSP to demonstrate that:

- (a) NSP had a clear, ascertainable interest in the matters at issue during, and the outcome of, the Hearing;
- (b) without separate representation and active involvement at the Hearing this interest would not have been represented adequately or at all;
- (c) NSP's participation at the Hearing directly assisted in a better understanding of the issues;
- (d) NSP's contribution to the Hearing was direct and substantial;
- (e) the record confirms a consistent expression of concern and involvement by NSP in the matters at issue during the Hearing;
- (f) the record confirms a demonstrated commitment and bona fide efforts by NSP to assist in the resolution of the landfill component issues of the Region of Halton's solid waste management program;

- (g) the calling of certain evidence was made unnecessary and cross-examination was shortened due to the active effort of NSP and certain other parties to co-ordinate their efforts and contributions at the Hearing;
- (h) having regard to the involvement at the Hearing of three municipalities and their subsidization of the ratepayers' groups involved at the Hearing, there was a clear economic imbalance among the parties which imposed a significant financial burden upon NSP;
- (i) NSP's interest and position at the Hearing, as the only private person and landowner separately represented, was unique; and
- (j) there was an express and identified purpose for the expenditure by NSP of costs associated with the Hearing.

PART IV: COSTS PAID BY NSP

6. During the period January 1, 1987 to November 8, 1988 the following expenditures directly related to the Hearing were made by NSP:

(a) January 1, 1987 to April 30, 1987:

7. Attached as Appendix "A" hereto are copies of invoices paid by NSP as rendered by J.F. Sykes and Associates Limited, Morrison Beatty Limited and The Proctor & Redfern Group, as well as copies of those portions of accounts as relevant to the Hearing paid by NSP and rendered by Fasken & Calvin. With respect to the account from Fasken & Calvin dated May, 1987, fees in the amount of \$16,157.50 plus disbursements in the amount of \$946.00 on files numbered (a) and (c) were incurred with respect to the Hearing during the period January 1, 1987 to April 30, 1987.

PART V: AWARD OF COSTS SOUGHT BY NSP

8. As appears from paragraph 6 above, NSP's actual costs during the period January 1, 1987 to November 8, 1988 related to the Hearing were in the sum of \$776,158.09. NSP seeks an award of costs payable to NSP by the Regional Municipality of Halton or the City of Burlington (or both, in such proportion as the Joint Board considers appropriate) in the sum of \$663,575.69 in accordance with the following Bill of Costs:

(i) Counsel Fees & Disbursements
